

STATE OF ALABAMA INCOME TAX CHECK OFF

Every year we go through the motions. Either on our own or through a professional service, we file our state income tax. It is always exciting to see ourselves coming out with a little extra instead of owing some back, but **your return may be more powerful than you realize.**

With over 80% of Children’s Trust Fund dollars going directly to fund programs that protect our children from abuse and neglect, your refund can become an investment in the children of this state. **This year consider donating all or part of your State of Alabama tax refund to the “Child Abuse Trust Fund”.** This tax deductible donation can be done by simply attaching Schedule DC to your state submission and indicating the “Child Abuse Trust Fund” (1d) as your preference.
